

Lighting Framework

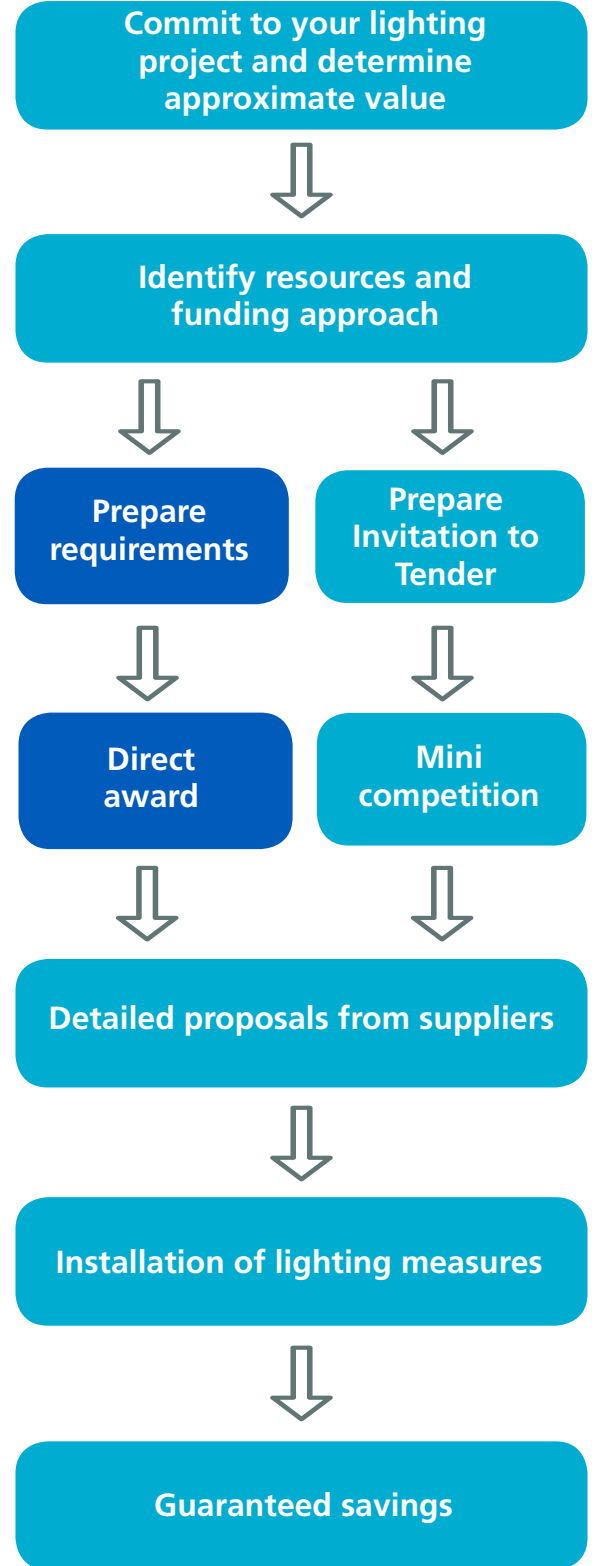

At Essentia we run a free to use, UK-wide lighting framework that supports public sector clients to deliver cost, carbon and ongoing maintenance savings through the latest LED technology.

The framework is flexible. Contracts can be awarded directly or via mini competition. Within eight weeks you could be installing the latest lighting technology and controls.

Suppliers on the framework:

We are on hand to help at every stage of the process:

To guarantee savings on your next lighting project:
